Pope Francis: COVID-19 Vaccine

In an interview that aired Jan. 10, Pope Francis spoke about getting the COVID-19 vaccine the next week, and urged others to do the same.

"I believe that ethically everyone should take the vaccine," the Pope said in an interview with TV station *Canale 5*. "It is an ethical choice because you are gambling with your health, with your life, but you are also gambling with the lives of others." In December, he urged countries to make vaccines "available to everyone" during his Christmas message.

Society of St. Vincent de Paul

Society of St Vincent de Paul Christmas Appeal 2020

St Brigid's Conference extends sincere thanks to all in the Parish who contributed so generously to this year's Christmas Collection and Toy Appeal. The total amount collected in the period prior to the 2-week lockdown and from 13th December 2020 was **£27,000**, of this **£960 came from Christmas Cards** with **£11,000 eligible for Gift Aid**.

Your generous response to the toy appeal meant we were able to help **85 families, including 185 children**.

We also provided vouchers for warm clothing, help with buying extra food and fuel. All of this was greatly received.

We also extend a special thanks to **St Brigid's GAA** who through their "Raffle" donated Smyth vouchers to the value of **£1500** which was given to parents to buy toys for their children. A further £790 in cash was donated and is included in the figures above.

As I am sure you know the continuing lockdowns are causing more and more hardship, so your generosity is really appreciated and is vital to our work in the SVP.

The people YOU help are in genuine need and many of them have asked us to convey our thanks to you. All of them greatly appreciate the help given to them by our volunteers who visit them.

If you are interested in becoming a member of the Society of St Vincent de Paul, please contact George McGrath on 02890668884

The Holy Sacrifice of the Mass will be offered for all.

Best wishes

Statement by the Northern Catholic Bishops

Re extension of the Covid-19 Shut-down by the Northern Ireland Executive to 5th March 2021.

Yesterday afternoon the Northern Ireland Executive took the unanimous decision to extend the current Covid-19 restrictions until Friday 5th March 2021. This decision was based on the strong recommendation of the Chief Medical Officer and the Chief Scientific Advisor, as a result of the continued extremely high level of transmission of the Covid-19 virus throughout the community (which over these last four weeks had not reduced to the level that had been hoped for), along with the increasing numbers in hospital and intensive care.

In the light of this decision, and on the basis of the clear and unequivocal public health advice that people should continue to *stay at home*, the Northern Catholic Bishops have decided that, until 5 March (but subject to ongoing review in line with any change to the public health advice), the celebration of the Eucharist and other liturgies should continue to take place without the physical presence of the faithful. Marriage, funeral, baptismal liturgies and drive-in services may continue (subject to strict safety guidelines and regulations). Arrangements for recording and/or livestreaming and making individual visits for private prayer are also permissible in accordance with regulations. We encourage parishes, where possible, to continue to broadcast the celebration of Mass - and other devotions and prayer services - online and on other media, knowing that faith and prayer can be a tremendous support to individuals and society during these difficult times.

We once more make this decision reluctantly, conscious of the pain that not being able to gather for public worship causes for all the faithful, but in the hope that this period of sacrifice is inspired by the command of Jesus to love our neighbours and undertaken for the protection of life and health and for the Common Good.

We continue to ask for prayers for the sick, the bereaved and all those whose livelihoods have been particularly impacted by the pandemic. We keep especially in mind all health workers, carers, chaplains and other essential workers. We welcome the announcement that a similar position is being taken by the leaders of the Church of Ireland, the Presbyterian Church in Ireland, the Methodist Church in Ireland and many other denominations and faith communities in response to the unequivocal message from public health authorities that as many people as possible stay at home at this time.
